

**'Who can ascend into the hill of the Lord?
And who may stand in His holy place?'**
Psalm 24:3

FRIDAY

Please pray for Patsy and Penny, whose group will be starting a Precepts for Life course today. Pray that everyone will adjust to this slightly different style of study and that they will find the videos helpful, engaging and relevant.

SATURDAY

Nigel and Molly are returning from their fortnight's holiday. Please pray that they will come back rested and refreshed and with a renewed sense of God's vision for Precept Ministries UK. Pray too for all the practical aspects of the journey and re-adjusting to a different time zone.

SUNDAY

A number of new groups will be using Precept Youth materials this autumn. Please pray for them and for all in our churches and other Christian organisations who are reaching out to young people with the good news of the gospel and the challenge of following Jesus day by day. Pray that we will see a new generation established in God's Word and equipped to serve Him in our increasingly secular society.

MONDAY

Jan's group will be starting back today after their summer break and will be studying Philipians PUP. Please pray that God speaks very powerfully to each member of the group as they do this study and that He reveals more of Himself to each one of them.

TUESDAY

Next week, Precept Leaders from various countries will be meeting together in Salisbury. Please pray for all the last minute preparations, both for us here in the office as we host the event and for those who will be travelling here. Ask God for His protection over all those involved, for good health and for safe journeys.

WEDNESDAY

It's now less than a month till our Annual Conference (12th October). Please pray that all those who are intending to come would book in soon rather than leaving it till the last minute and that we would be able to make all the final arrangements (eg refreshments, seating, handouts for everyone) in good time.

THURSDAY

John and Julie's group are starting the Matthew Part 1 PUP today. Please pray for any who are new to this way of studying, that they will settle into the group and will quickly realise the benefits of inductive Bible study. Pray that lives will be changed and that everyone will grow in their love of God and their understanding of who Jesus is, what He has done for us, and how He wants us to live.

**'He who has clean hands and a pure heart,
Who has not lifted up his soul to falsehood
and has not sworn deceitfully.'**
