

TESTIMONIES

‘It’s wonderful to see God meeting so many people as we study and share together. The Bible is opening up in a new way for us and we are growing in faith and love for God. It’s actually making a difference to how we live and relate to one another.’

Rob Guinney - Church Leader

OUR MISSION: to establish people in God’s Word.

OUR VISION: people living as exemplary followers of Jesus Christ, studying the Bible inductively, viewing the world Biblically, making disciples intentionally and serving the church faithfully in the power of the Holy Spirit.

OUR GOAL: to help re-establish the authority of the Word of God in our nation.

Psalm 19: 7-8

The law of the LORD is perfect, restoring the soul;

*The testimony of the LORD is sure,
making wise the simple.*

*The precepts of the LORD are right,
rejoicing the heart;*

*The commandment of the LORD is pure,
enlightening the eyes.*

‘Immensely blessed by the day’s teaching. Studying Scripture inductively has reinforced to me the value of taking time to read the word, making observations, marking them, having an awareness of context, and ultimately what God is trying to communicate to us for our edification and application. I leave the day feeling far better equipped to study inductively which is very encouraging and exciting.’ Gerard

DISCOVER TRUTH
FOR YOURSELF

OUR PURPOSE

God's Word is truth. Jesus prayed that His disciples would be sanctified in the truth (John 17:17). Our ministry purpose is to equip people to know God through the study of His Word, so they answer His call on their lives to be disciple-making disciples of Jesus Christ, walking in the power of the Holy Spirit.

Precept Ministries UK has been established since 1998 and is part of an international organisation that operates in over 180 countries, with materials translated into over 70 languages. Our inductive Bible study skills are easily learnt, very effective and transferable, so people of all ages and backgrounds can learn to handle God's Word accurately. It is also really enjoyable!

The way Precept applies the method of Inductive Bible Study is unique, and we have developed a whole range of resources and training opportunities for you to use to **discover truth for yourself!**

Observing the Bible is foundational - *learn how to really see what is written*

Interpreting Scripture in context - *understand what the author intended*

Applying the truth to life - *live out what you learn, the goal of all Bible study*

We are non-denominational and welcome all people to study together. Prayer underpins our work and we are supported through the sacrificial giving of Partners whose lives have been transformed by **truth**.

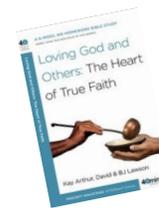

Visit our website www.precept.org.uk to purchase a full range of materials, download free studies and for more comprehensive information.
