

LEADER REFRESH

“The LORD looked at him and said, ‘Go in this your strength and deliver Israel from the hand of Midian. Have I not sent you?’” Judges 6:14

In the midst of national and personal distress, oppression and insecurity, God revealed Himself to Gideon as Jehovah-shalom. He was commissioned to lead the nation of Israel out of slavery and back into a right relationship with God. How? By taking God at His word and being obedient to His calling.

We are living in times of national and personal distress, oppression and insecurity. God has revealed Himself to us as Jehovah-shalom in the person of Jesus Christ. He has commissioned us to make disciples and to teach them all He commanded (Matthew 28:19-20) so our family, friends and neighbours can be made right with God, set free from oppression and have hope.

Leading a Precept Bible study group is one way to make disciples. Being a leader is an exciting, rewarding and at times challenging privilege.

Leader Refresh

- It’s for people who are, or have been or are thinking about leading a Precept Bible study.
- All meetings will take place at ‘Broad Head End’ and there will be ‘free-time’ on Sunday morning for a walk or attending a local church service.
